Board-specific questions (if applicable)

Question applies to PIPELINE REVIEW PANEL

The Pipeline Review Panel must include representatives from certain categories. Do you qualify for any of the following categories? *

☒ Emergency Management Experience/Technical Expertise

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.

☒ I Agree

Bachelor of Science in Industrial Management and Technology (Major GPA: 3.4)

Kingsville, TX

Minor: Business Administration

Texas A&M University-Kingsville, College of Engineering

Graduated Date: December 14, 2012

PROFESSIONAL EXPERIENCE

Safety & DOT Compliance Director

August 2018-Present

Environmental Evolutions National (Robstown, Texas)

- Lead, develop, implement, and maintain/measure Safety programs, policies and procedures based on leading indicators and actions.
- Establish standards to provide guidance on how to comply with all federal, state, and regional regulatory requirements both domestically and internationally.
- Lead, promote the organization while building a positive Safety culture focus on influencing behaviors of divisions and regions.
- Assist in the development of Safety policies and procedures for all Comcast employees.
- Ensure proper Safety records retention, analyze trends, report on statistics, and manage non-compliance across divisions and regions.
- Oversee and manage all near misses, accident investigations, and reporting.
- Lead the development and execution of Safety protocols, processes, and governance programs.
- Partner with upper management to develop goals, forecasting and allocation of risk related expense reduction.
- Partner with Business Continuity on applicable policies, procedures and programs. Current examples include Emergency Activation Plans and AED/CPR/first aid programs.
- Provide guidance for Divisional and Regional processes and activities including compliance with Safety regulations.
- Analyze metrics and evaluations of Safety statistics and incidents to evaluate trends and establish programs for improvement.
- Attend relevant industry conferences and professional meetings as necessary.
- Ensure accuracy of record keeping on accident, training and complaint, and training materials.
- Prepare and maintain required documentation for internal and outside counsel, as requested.
- Oversee the development of training and education programs which includes compliance to regulatory requirements for U.S. regulators and international regulators.
- Direct the review and management of all Safety equipment and supply needs, recommending replacement and new equipment purchases, and ensure required inspections of personal protective equipment are conducted in coordination with divisions and regions.

- Ensure that programs and procedures are in place to respond to all complaints and/or identification of Safety hazards in a timely manner with proper prioritization.
- Evaluate hazardous conditions and practices and develop appropriate preventive control programs and procedures.
- Oversee all injuries, incidents and related investigations and provide direction and oversight for workers compensation case management.
- Oversee maintenance of the OSHA 300 log and other reporting requirements.
- Review key performance indicators for Safety and ensure they are modified/updated on an annual basis.
- Ability to foster effective working relationships cross functional leadership teams, both domestically and internationally, including: Facilities, Business Continuity, Human Resources, Claims Management, Risk Management, Legal, Customer Care and Field Engineering & Technical Operations to reduce exposure to the enterprise.
- Oversee audits of internal Safety compliance.

Co-Founder & Master Trainer

Board-specific questions (if applicable)

Question applies to PIPELINE REVIEW PANEL

The Pipeline Review Panel must include representatives from certain categories. Do you qualify for any of the following categories? *

☒ None of the above

Verification

1

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application or in any attachment (e.g. resume or supporting documentation) for appointment it is subject to and must be disclosed under the Texas Public Information Act. I understand that under the Texas Public Information Act, my home address and home telephone number is subject to public disclosure unless I am elected or appointed to the position which I seek. I hereby consent to the release of my home address and home telephone number should it be requested under the Texas Public Information Act prior to my possible appointment or election. I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Texas Public Information Act.
