Attn: Bill Green P.E.
Development Services Engineer

Memo: Sidewalk Variance

Subject Property: BASS SUBDIVISION, BLOCK 7, LOTS 2R-1 AND 2R-2

This letter is to ask for a variance on the request to install a 4.0 foot concrete sidewalk on Sandra Lane side of the Plat. The reason is that there is an open ditch that makes it impossible to put the sidewalk. There are not sidewalks on Sandra Lane.

Please consider the variance request we are asking for.

Best Regards,
