Jason,

We'd like to request a 90-day extension on the certificate of occupancy requirement for the grant money for Moonshine Ale Ventures LLC, 301 N. Chaparral St., Corpus Christi, TX 78401. We have had multiple sub-contractor issues and will not have our certificate of occupancy by the original date, April 30, 2019.

We'd like to request a 6-month extension on the certificate of occupancy requirement for the grant money for Whiskey Rodeo Saloon Ventures LLC, 305 N. Chaparral St., Corpus Christi, TX 78401. Issues mentioned above will result in delay on the certificate of occupancy for this property as well.

Please let me know if you need any other information from us to apply for these extensions.

Thank you.
