

Regional Parkway Urban Transportation Plan Amendment

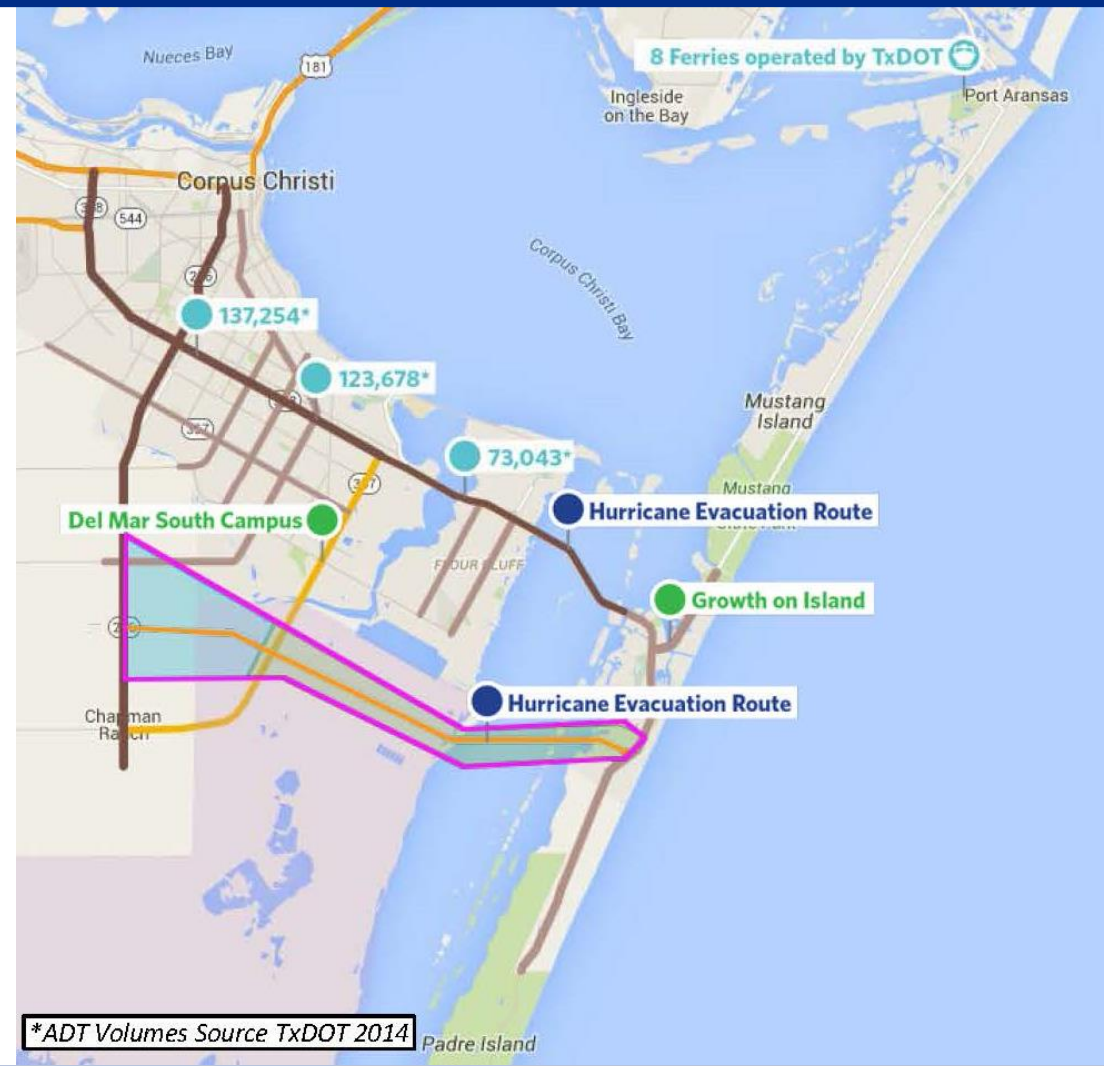

Council Presentation
May 14, 2019

Purpose & Need for Regional Parkway

- Reduce traffic congestion and facilitate regional mobility and connectivity
- Address safety issues and provide an alternate hurricane evacuation route
- Facilitate economic and population growth
- Preserve right-of-way

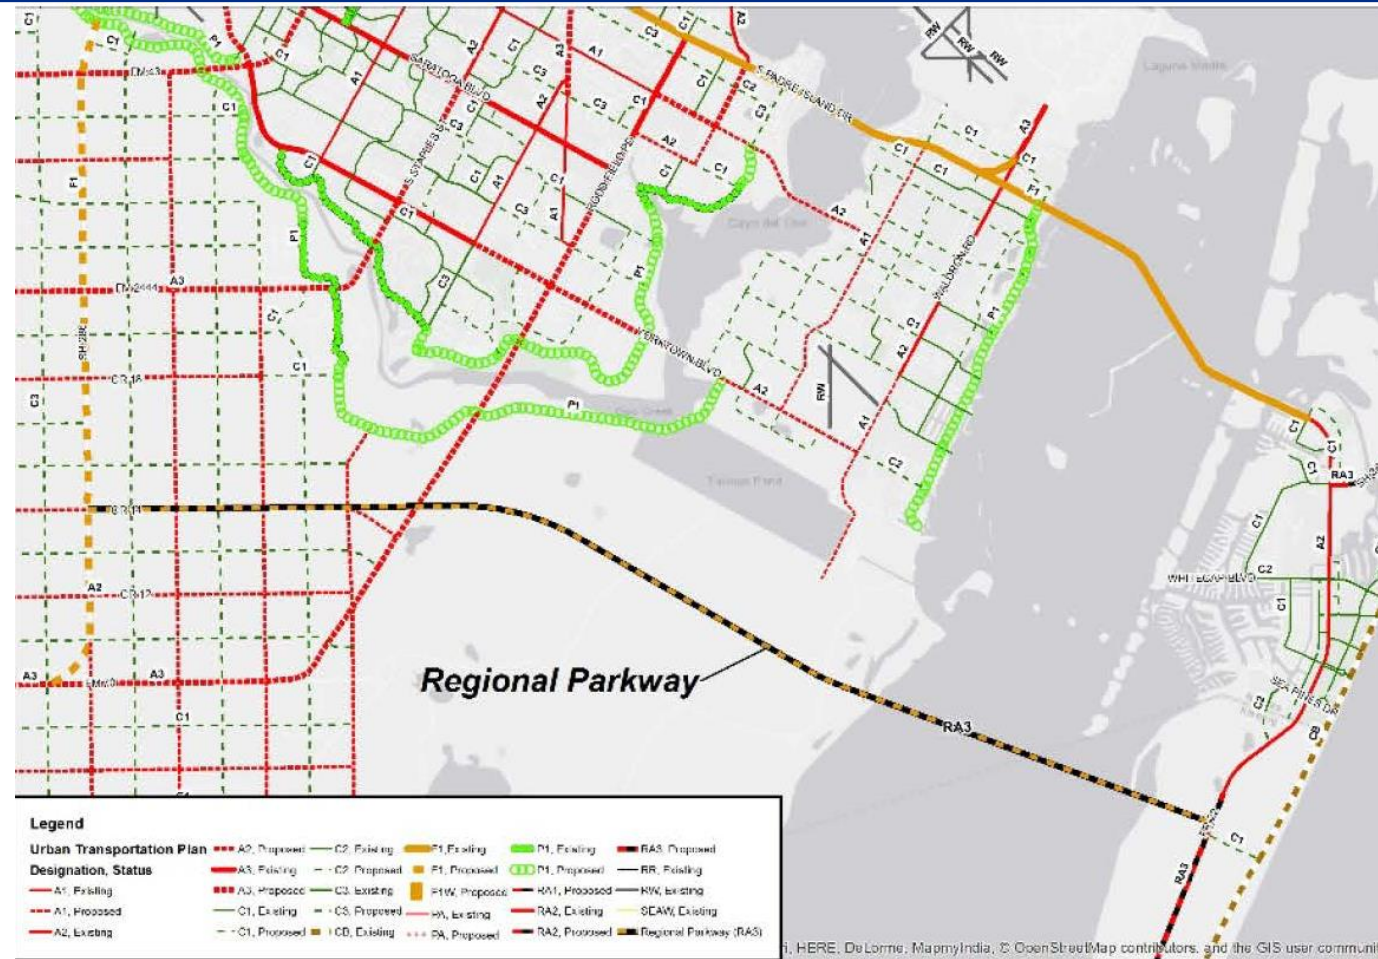

Potential Vision

An at-grade multi-lane transportation corridor designed to accommodate multiple modes for optimal mobility.

City Plan Amendment

URBAN TRANSPORTATION PLAN REGIONAL PARKWAY

Recommendation

Recommended for approval by:

- Staff
- Transportation Advisory Commission
- Planning Commission
