NOW, THEREFORE, in consideration of the premises, the mutual agreements of the parties herein contained and under the authority granted under Section 42.044, Texas Local Government Code, and the Ordinances of the City referred to above, the CITY and the COMPANY hereby agree as follows:

Article 1

Section 1.01 Immunity from Annexation. The CITY covenants and agrees that during the term of this Agreement, and subject to the terms and provisions herein, the Land shall retain its extraterritorial status as an Industrial District, and shall continue to retain this status until and unless the same is changed under the terms of this Agreement. Except as herein provided, the CITY further covenants and agrees that the Land shall be immune from annexation during the term of this Agreement.

Section 1.02 Limited to Industrial Use. COMPANY covenants and agrees that during the term hereof, COMPANY will not use or permit the use of the Land and Improvements covered by this Agreement for purposes not included within the term “industry”. “Industry” as used herein shall mean for the same industrial uses to which the Land, or similarly situated land within the Industrial Districts, is now devoted by the COMPANY or other such parties holding such similarly situated land. Holding the Land and Improvements for future “industry” use, without using same for non-industry purposes, does not violate this paragraph. If the COMPANY uses, or permits use of, the Land and/or Improvements covered by this Agreement for purposes not included within the term “industry” as defined above, the payment in lieu of tax to be paid by the COMPANY under this Agreement shall be increased to an amount equal to one hundred percent (100%) of the amount of ad valorem taxes on Land, Improvements, and personal property sited on the Land that would otherwise be payable to the CITY by the COMPANY if said Improvements were situated on land within the CITY limits of the CITY. The increase shall be immediately effective for all payments from the inception of this Agreement, and the COMPANY shall transmit to the CITY within sixty (60) days of being notified by the CITY of the determination of a non-industry use, subject to the notice provided for in Section 4.04, an amount equal to said one hundred percent (100%) of ad valorem taxes from the inception of this Agreement, less any amounts previously paid, plus penalties and interest as if the amounts were delinquent taxes. The CITY shall be entitled to its attorneys’ fees and other costs in collecting any of these amounts. In addition, the CITY shall have the right, in its sole and absolute discretion: (1) to obtain an injunction from a court of competent jurisdiction, upon the court’s determination that the use is not an “industry” use, requiring that the use be permanently discontinued, or (2) to annex the Land covered by this Agreement and until the Land is annexed, the COMPANY shall continue to make payments equal to said one hundred percent (100%) of ad valorem taxes.

In the event the CITY must annex a part of the COMPANY’S property in order to annex property owned by third parties, the CITY will annex the absolute minimum amount of the COMPANY’S property legally necessary to annex such property owned by third parties. The location of such annexed property shall be subject to the approval of the COMPANY, such approval shall not be unreasonably withheld. COMPANY and such annexed property shall have no right to any CITY services as a result of such annexation; nor shall the

CITY extend, by ordinance, any rules, or regulations, including, but not limited to, those (a) governing plats and subdivisions of land, (b) prescribing any building, electrical, plumbing or inspection code or codes, or (C) attempting to exercise in any manner whatsoever control over the conduct of COMPANY'S business thereon. Such annexed portion of land shall remain a part of this Agreement and shall not be subject to CITY taxes, but shall continue to be included within the in lieu of tax payment. In the event that the need for an annexation corridor no longer exists, including but not limited to the defaulting company entering into an Industrial District Agreement, or has met its obligations to the CITY, the CITY agrees to immediately cease any annexation proceedings related to the annexation corridor over the COMPANY'S Land, or within (60) days, take the steps necessary to complete disannexation proceedings required to remove from the city limits any unnecessary annexation corridor.

Section 4.03 City Breach. If the CITY breaches this Agreement by annexing or attempting to pass an ordinance annexing any of the Land (except with reference to the agreed annexation corridor in Section 1.03), the COMPANY shall be entitled to enjoin the CITY from the date of its breach for the balance of the term of this Agreement, from enforcing any annexation ordinance adopted in violation of this Agreement and from taking any further action in violation of this Agreement. If the COMPANY elects to pursue this remedy, then so long as the CITY specifically performs its obligations hereunder, under injunctive order or otherwise, the COMPANY shall continue to make the annual payments required by this Agreement.

Section 4.04 Notice of Default. Notwithstanding anything to the contrary contained herein, in the event of any breach by the COMPANY of any of the terms or conditions of this Agreement, the CITY shall give the COMPANY written notice specifying the nature of the alleged default, and manner in which the alleged default may be satisfactorily cured.
