Project Scope

This project provides engineering and design for reconstruction of Airline Road from SPID to McArdle Road. Engineering tasks includes the evaluation and recommendations for the following:

- Traffic loads (vehicular and pedestrian)
- Roadway alignment and traffic signalization
- Pavement section and alternatives
- Underground utilities (water and storm water, with minor wastewater and gas)
- Public outreach and workshops
- Construction sequencing and temporary traffic control
- Prepare detailed construction documents
- Bid Phase and Construction Phase technical support
