Subject: Innovation Grant Approved!

Maddie's
Fund

Dear Mike Gillis,

Congratulations! We are pleased to inform you that on 4/30/2019 the Maddie's Fund Board of Directors approved the Innovation Grant application submitted by Corpus Christi Animal Care Services on 2/14/2019 for your Innovative Foster Care project, titled Corpus Christi Animal Care Services Foster Program, in the amount of \$5,000.00. We are proud to support Corpus Christi Animal Care Services's lifesaving efforts.

Our Innovation Grants are helping to fund projects at shelters, independent rescue organizations, non-profit clinics and TNR groups across the country that advance lifesaving and ultimately guarantee a healthy home or habitat for all dogs and cats. We applaud your forward thinking and are excited to hear about the success of your program!

We will be paying this grant via ACH transfer. The payment will be processed in a few weeks. The payment contact indicated on your grant application will receive an email from Bill.com asking for your account information, which is stored securely in Bill.com's system (Maddie's Fund will never see your information). Once your information is submitted, when our Accounting team processes the payments, the funds will be transferred directly into your account.

In appreciation of this grant, please use the hashtag #ThanksToMaddie in any posts on social media about this grant or activities funded by this grant. The Maddie's Grant Recognition Toolkit can be found here: <http://www.maddiesfund.org/grant-recognition.htm>.

As your reporting requirement for this grant, we will send you a follow up survey via email in approximately six months to learn how your project went/is going. This will need to be completed within 30 days of receipt of the survey.

Additionally, you will be required to join the Maddie's Fund Coalition in Shelter Animals Count (www.shelteranimalscount.org) within 30 days of receiving this approval email.

As a national animal welfare leader and funder of animal welfare in North America, Maddie's Fund believes that organizations should be transparent about the number of animals that come under their care, and the outcome for all of those animals. That is why we support the public availability of key data (the basic data matrix as defined by Shelter Animals Count), from all animal welfare agencies and nonprofits, both publicly and privately funded and whether or not they provide government animal control services or humane law enforcement.

In accepting this grant, Corpus Christi Animal Care Services agrees to allow Maddie's Fund to distribute and/or include information about this grant in public reports, press releases and other public or private communications with input from Corpus Christi Animal Care Services.

If you have any questions about this grant, please contact our Grants Team at grants@maddiesfund.org or 925.310.5450.

Congratulations, again, on receiving this grant! We wish you the best in your humane work.
