Vicinity Map

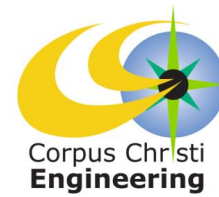

SWB Easement Details

-
- City acquired Ben Garza Park property in 1935
 - SWB installed cable system and manhole sometime in the 1940's
 - City and SWB have searched their records for permit, license or easement to SWB with no record found
 - SWB's has prescriptive rights for their improvements
 - SWB is required to update their telecommunication system in the park as a result of the New Harbor Bridge project
 - City will grant SWB an easement to delineate and document the location of the SWB facilities
