Do you currently serve on any other City board, commission or committee at this time? If so, please list:

Yes. I serve on the Steering Committee for the Texas State Aquarium's Rising Tide Society.

Education, Professional and/or Community Activity (Present)

I earned a Bachelors Degree in Communications at Texas A&M University Corpus Christi, and have since served in an external affairs capacity at the Port of Corpus Christi for over five years. As part of my professional duties I am involved in the business community, not-for-profit volunteerism, and extracurricularly I now work toward raising funds for wildlife rescue and rehabilitation.

Why are you interested in serving on a City board, commission or committee?

I think working to improving one's community is a duty of all those whom call that community home, and those with the means and passion to serve it in a policy-based capacity are in a strong position to drive positive action. Specifically for this, the Animal Care Advisory Committee, I am committed to improving animals' lives in my own home and beyond. I come from a family who fosters cats and dogs, and have been raised to be a good steward of both domestic and wild animals.

Education, Professional and/or Community Activity (Present)

B.A. Degree DePauw University I am the Director of a non-profit, Lost Dogs of Texas. We do not physically deal with dogs. We supply lost & found flyers to Texans who have lost or found a dog. In the last seven years, we have supplied over 70,000 free flyers. Although this is an animal welfare organization sited in Corpus Christi, I do not consider it a local animal welfare organization. I have spent the last 14 years working to reunite families with their lost animals, particularly after a disaster. All of this work has been done online. For example, I helped create "Lost Dog Awareness Day" to educate people that roaming dogs may be lost dogs. You can see what I do on my Facebook page, Lost Dogs of Texas.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

NA

Why are you interested in serving on a City board, commission or committee?

I have spent the last 14 years working with animal shelters and animal welfare organizations. This is a subject that deeply interests me. I have expertise in reuniting lost animals, which is the "return to owner" component of municipal shelters. The reputation of a city can be helped or harmed by the reputation of its municipal animal control. Corpus Christi Animal Control is headed in the right direction and I think I can help.
