Education, Professional and/or Community Activity (Present)

Currently working on a associates degree in psychology. I plan on advancing to higher education. Currently a member of LULAC Para Todos, a Nueces County Democrat precinct chair for the 73rd precinct, vice president, and previous treasurer, of the Del Mar Democrats, and beautification officer for the Del Mar green team.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

1.) Corpus Christi convention and Visitors bureau 2.) Clean city advisory committee 3.) Arts and cultural commission

Why are you interested in serving on a City board, commission or committee?

I believe there is an untapped potential in the coastal bend. This untapped potential comes from the inclusion of various members of the community with diverse demographics who work together for the betterment of the community, and the underserved individuals of the community. I chose these specific city organizations because I feel these are the few cornerstones of the coastal bend community. If we were to advance any of these aspects of the city, growth would come organically.

Then we got a few posed and natural / candid shots of the two of them against some 200 year old doors and a 60 year old hut with the Texas flag painted on the side.
