

Construct Pavilion Packery Channel Boat Launch (TIRZ No. 2)

**Council Presentation
July 23, 2019**

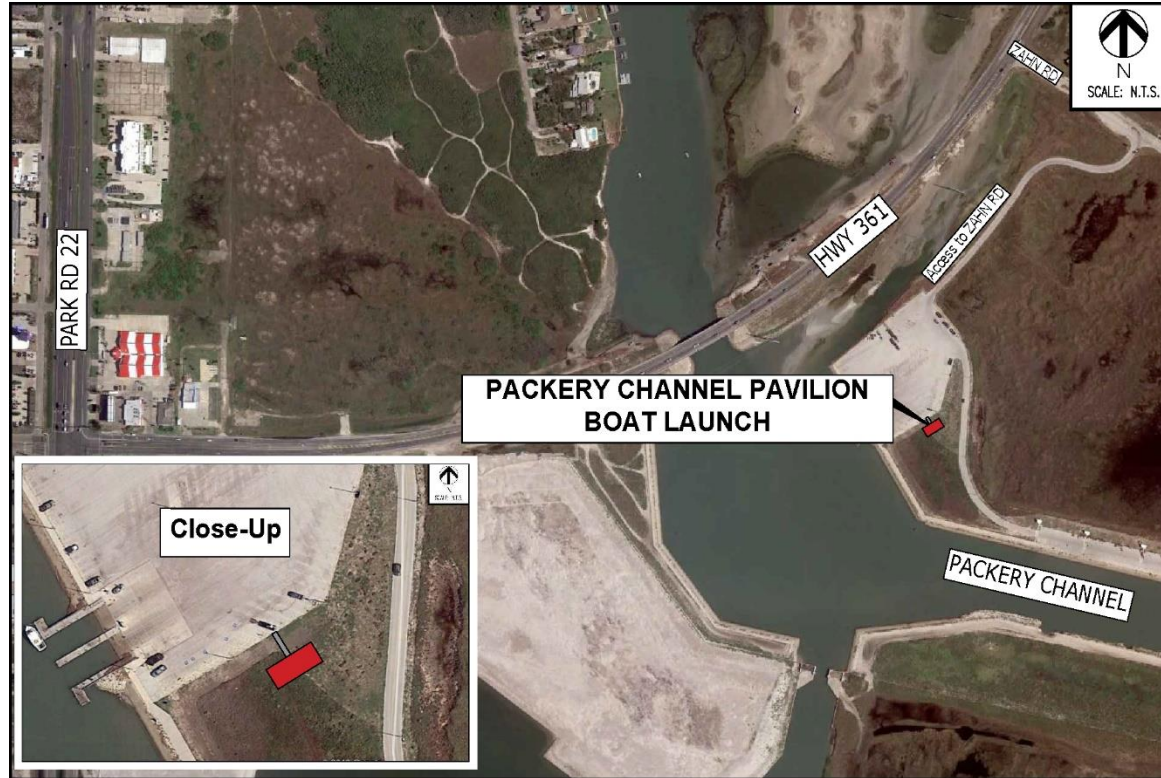

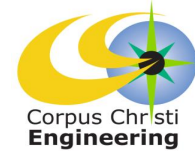

Project Location

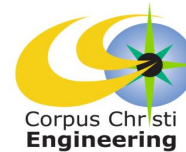

Project Vicinity

Project Scope

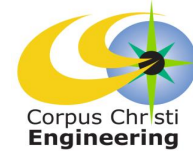

This project provides for construction of a new 60' x 30' open air pavilion. The scope includes:

- Site grading and compaction for required drainage improvements
- Finished concrete foundation
- ADA compliant sidewalk connecting new pavilion to existing parking lot
- Treated wood structure framing for the 60' x 30' pavilion
- Asphalt shingle roof
- Miscellaneous electrical and interior lighting (timer-controlled)

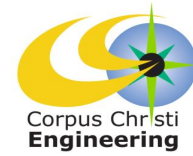

Project Schedule

2019							
Apr	May	Jun	Jul	Aug	Sep	Oct	Nov
Bid				Construction			

Projected Schedule reflects City Council award in July 2019 with anticipated construction completion in November 2019.
