Accepting and appropriating a grant for the Internet Crimes Against Children (ICAC) Task Force program

### **CAPTION:**

Ordinance authorizing the acceptance of a grant from the Office of the Attorney General for the Internet Crimes Against Children (ICAC) Task Force program, in the amount of \$10,100.00 to purchase equipment and supplies for the ICAC program within the Police Department; and appropriating the \$10,100.00 in the Police Grants Fund.

### **PURPOSE:**

Accept the grant and appropriate the funds.

### **BACKGROUND AND FINDINGS:**

The Office of Juvenile Justice and Delinquency Prevention Internet Crimes against Children Task Force program has approved a grant for the Corpus Christi Police Department Internet Crimes Against Children Task Force (ICAC). The ICAC is a national network of 61 coordinated task forces representing over 4,500 federal, state, and local law enforcement, and prosecutorial agencies. These agencies are continuously engaged in proactive and reactive investigations and prosecutions of persons involved in child abuse and exploitation involving the Internet.

The Police Department has been a member of the ICAC since 2003. The funds are made available to the City by virtue of being a member of the Task Force. Each year we are advised by ICAC how much money we will be awarded. These funds will be used for the renewal of computer software licenses, BlackBag Blacklight, X-Ways Forensics software, and Passware Kit Forensics license. Other supplies to be purchased include a microscope, digital camera for microscope, internal hard drives, and other types of tools needed to dismantle and discern if a computer has been involved with child pornography. There is no match required by the City. Funds are

available from June 1, 2019 through August 31, 2019.
