Re: **Woodsboro Pump Station Roof Repair &
Bloomington Pump Station Roof Repair
City Project No(s). 18092A & 18093A**

ARCHITECTURE
INTERIOR DESIGN

Mr. Edmonds:

The City of Corpus received two (2) electronic bid proposals for the above referenced project on June 12, 2019 at 2:00 p.m. on the City's CivCast web page. The project bid included a base bid for the roof repair of the Woodsboro Pump Station and Bloomington Pump Station Buildings and associated facilities work. There is one additive alternate bid per building included in the project for rooftop walk pads to be installed. Attached are the bid tabulations of the two (2) bid proposals.

We have received and reviewed the Statement of Experience of the two (2) bidders and have found them to be satisfactory. The bid breakdown for the two bidders is shown on the attached Tabulation of Bids, and are summarized below:

BIDDER	BASE BID 18092A	ADD. ALT. A2 BLDG. 18092A	BASE BID 18093A	ADD. ALT. B2 BLDG. 18093A
ABBA CONSTRUCTION	\$314,520.00	\$4,500.00	\$314,520.00	\$4,500.00
COAST TO COAST CONSTRUCTION INC.	\$243,069.00	\$3,000.00	\$243,069.00	\$3,000.00

Coast to Coast Construction, Inc. is the apparent low bidder for the above-mentioned project(s). Therefore, CAA recommends that the City award the construction contract for Woodsboro Pump Station Roof Repair (City Project No. 18092A) and Bloomington Pump Station Roof Repair (City Project No. 18093A) to **Coast to Coast Construction, Inc. of Corpus Christi, Texas** in the amount of **\$492,138.00** for Base Bid and Additive Alternate No. A2.
