Subject: The Villas PUD (Plat)

Mr. Orozco:

The final plat of The Villas PUD is coming up for expiration on September 19th. We, Urban Engineering, on behalf of SuperElite, LLC, would like to request a time extension of six (6) months for the above referenced project. An amended PUD application has been submitted to the City of Corpus Christi is awaiting scheduling for City Council. Construction plans have been approved by the City of Corpus Christi and the project is currently out for bids. Relocation of existing gas lines for an easement closure that has been submitted to the City of Corpus Christi are also necessary before we can record the plat. We have included a check in the amount of \$38.00 (No. 029263) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
