To the north are vacant properties and the Lee Alumni Center for Texas A&M University-Corpus Christi zoned "RS-10" Single-Family 10 District. To the south is a vacant property and single-family residences zoned "RS-10" Single-Family 10 District. To the east are wetland properties zoned "RS-6" Single-Family 6 District. To the west are single-family residences zoned "RS-10" Single-Family 10 District.

AICUZ: The subject property is **not** located in one of the Navy's Air Installation Compatibility Use Zones (AICUZ).

Plat Status: The property is platted.

Utilities:

Wastewater: 16-inch PVC line located along Ennis Joslin Road.

Gas: 6-inch Service Line located along Ennis Joslin Road.

Storm Water: Road inlets located along Ennis Joslin Road.

Plan CC & Area Development Plan Consistency: The subject property is located within the boundaries of the Midtown Area Development Plan and is planned for a medium density residential use. The proposed rezoning to the "ON" Neighborhood Office District is consistent with the adopted Comprehensive Plan (Plan CC) and warrants an amendment to the Future Land Use Map. The following policies should be considered:

- Encourage orderly growth of new residential, commercial, and industrial areas (Future Land Use, Zoning, and Urban Design Policy Statement 1).
- Promote a balanced mix of land uses to accommodate continuous growth and promote the proper location of land uses based on compatibility, locational needs, and characteristics of each use (Future Land Use, Zoning, and Urban Design Policy Statement 1).

- Promote interconnected neighborhoods with appropriate transitions between lower-intensity and higher-intensity land uses. (Future Land Use, Zoning, and Urban Design Policy Statement 3).

Department Comments:

- The proposed rezoning is consistent with the adopted Comprehensive Plan (Plan CC), compatible with the adjoining properties, and does not have a negative impact upon adjacent properties. The adjacent properties consist of a vacant lot to the south and single-family homes. Two adjacent properties to the north consist of the Texas A&M University-Corpus Christi (TAMU-CC) alumni center, a retail shopping center, and a convenience store.
- The subject property is located along the east side of Ennis Joslin Road at the intersection with Ebonwood Avenue. The intersection is not traffic controlled and is between the intersection of Ocean Drive and South Alameda Streets.
- If the “ON” Neighborhood Office District is a transitional district and limits the size of retail and restaurant uses. Additionally, the “ON” Neighborhood Office does not allow bars, pubs, taverns, or nightclubs.

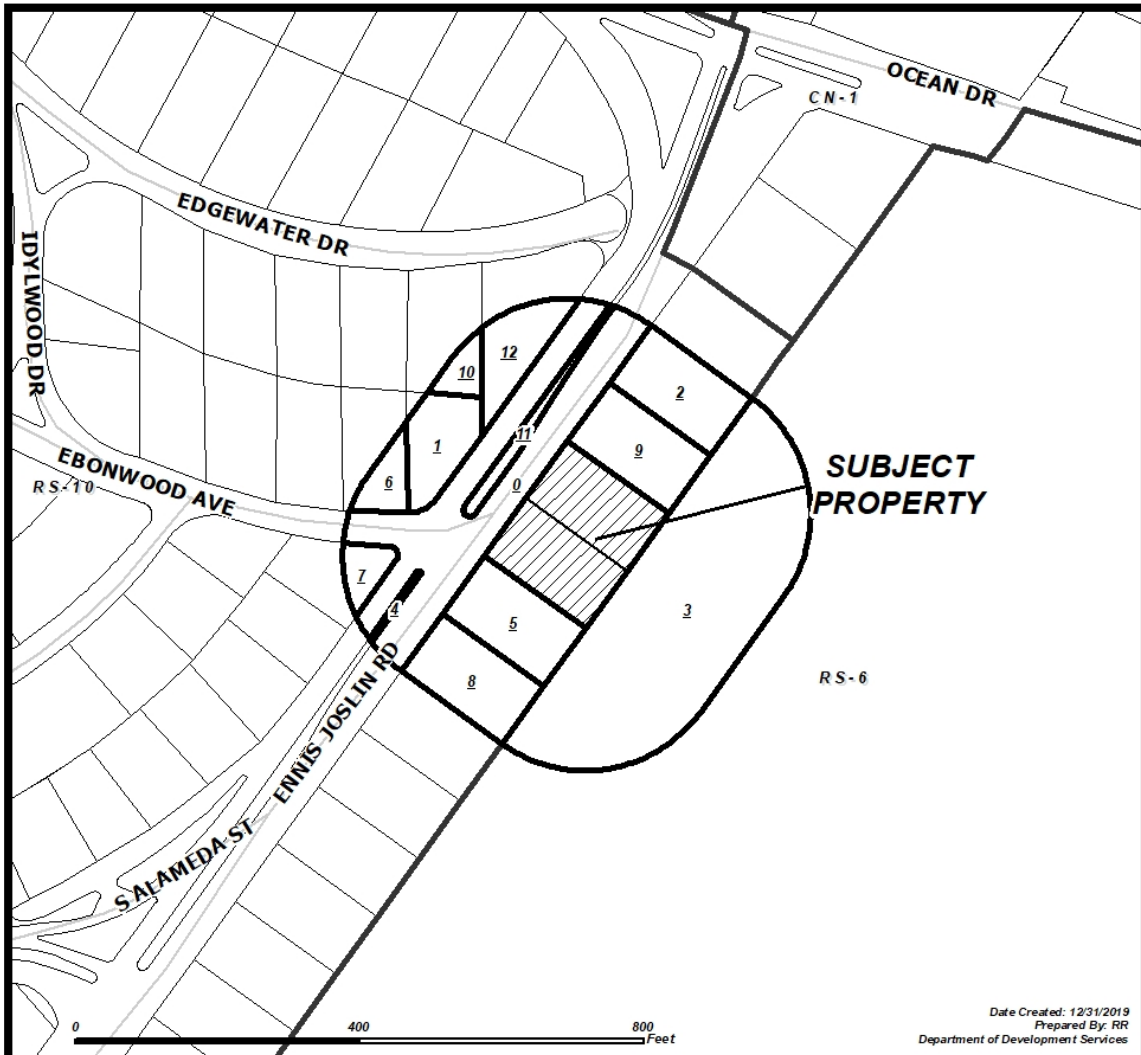

Staff Recommendation:

Approval of the change of zoning from the “RS-10” Single-Family 10 District to the “ON” Neighborhood Office District.
