Subject: The Villas PUD (Plat)

Mr. Orozco:

The final plat of The Villas PUD is coming up for expiration on March 19, 2020. We, Urban Engineering, on behalf of SuperElite, LLC, would like to request a time extension of six (6) months for the above referenced project. An amended PUD application was submitted and approved to allow for short term rentals of any length and to increase the maximum height of buildings. Construction plans have been approved by the City of Corpus Christi. Minor changes are being made to reflect approved changes to the PUD. We have included a check in the amount of \$38.00 (No. 029426) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
