Re: Local Government Fare Review Committee

Dear Mayor McComb,

The CCRTA Board of Directors has approved restructuring the fares for fixed route and paratransit services in order to stabilize operation of the transit system. Fares have not been changed in Corpus Christi since 2006, and it is critical in the stewardship of this transit system to maintain operations in a fiscally-sound manner. The next step required by law will be for the Local Fare Review Committee to be organized and consider approval of the recommended fare restructuring.

The Local Fare Review Committee is comprised of five members of the Corpus Christi City Council, three members of the Nueces County Commissioners Court, and three of the small city mayors (see Section 451.061 of the Transportation Code enclosed). The representatives from the City Council must be appointed by the City Council at a regular meeting, so we respectfully request that you schedule an agenda item for these appointments at the earliest possible date.

As per Section 451.061 of the Transportation Code, the new fares cannot take effect until approved by a majority vote of this committee. **Please let us know who the representatives will be by March 31, 2020, so we may schedule a meeting of the Local Fare Review Committee in April.**

If you have any questions, please call me at my office 361-903-3560. Thank you for your support in this critical matter.

Sincerely,

Jorge Cruz-Aedo
CEO
