**Resolution authorizing submission of grant application for \$18,032.44
to the State of Texas under the Coronavirus Emergency Supplemental
Funding**

CAPTION:

Resolution authorizing submission of grant application for \$18,032.44 to the State of Texas under the Coronavirus Emergency Supplemental Funding (CESF).

SUMMARY:

The Office of the Governor of the State of Texas has made funds available through Coronavirus Emergency Supplemental Funding (CESF) program. Eligible activities and costs include personnel overtime for jailers and detention centers, Personnel Protective Equipment, and Supplies.

BACKGROUND AND FINDINGS:

The Corpus Christi Municipal Court Detention Center is an essential service that houses all persons arrested by Corpus Christi Police and operates 24/7. Based on the type of operation the program qualifies for the grant funding.

Between March 13, 2020 and April 15, 2020, the City Detention Center expensed \$7,069.01 in overtime and \$1,947.21 in supplies.

ALTERNATIVES:

An alternative to approving this program would be to continue using the current budget funding.

FISCAL IMPACT:

The fiscal impact to the City is an additional \$18,032.44 for needed supplies at the Detention Center.

RECOMMENDATION:

Staff recommends that the Council approve the resolution.
