CARES Act Grant Transmittal Letter

May 11, 2020

Mr. Fred Segundo
Corpus Christi International Airport
1000 International Drive
Corpus Christi, Texas 78406

Dear Mr. Fred Segundo:

Please find the following electronic CARES Act Grant Offer, Grant No. 3-48-0051-059-2020 for Corpus Christi International. This letter outlines expectations for success. Please read and follow the instructions carefully.

To properly enter into this agreement, you must do the following:

- a. The governing body must provide authority to execute the grant to the individual signing the grant; i.e. the sponsor's authorized representative.
- b. The sponsor's authorized representative must execute the grant, followed by the attorney's certification, **no later than June 29, 2020** in order for the grant to be valid.
- c. You may not make any modification to the text, terms or conditions of the grant offer.
- d. The grant offer must be electronically signed by the sponsor's legal signatory authority and then the grant offer will be routed via email to the sponsor's attorney. Once the attorney has electronically attested to the grant, an email with the executed grant will be sent to all parties.

Subject to the requirements in 2 CFR § 200.305, each payment request for reimbursement under this grant must be made electronically via the Delphi eInvoicing System. Please see the attached Grant Agreement for more information regarding the use of this System. The terms and conditions of this agreement require you drawdown and expend these funds within four years.

An airport sponsor may use these funds for any purpose for which airport revenues may be lawfully used. CARES grant recipients should follow the FAA's Policy and Procedures Concerning the Use of Airport Revenues ("Revenue Use Policy"), 64 Federal Register 7696 (64 FR 7696), as amended by 78 Federal Register 55330 (78 FR 55330). The Revenue Use Policy defines permitted uses of airport revenue. In addition to the detailed guidance in the Revenue Use Policy, the CARES Act states the funds may not be used for any purpose not related to the airport.

With each payment request you are required to upload directly to Delphi:

- An invoice summary, even if you only paid a single invoice, and
- The documentation in support of each invoice covered in the payment request.

For the final payment request, in addition to the requirement listed above for all payment requests, you are required to upload directly to Delphi:

- A final financial report summarizing all of the costs incurred and reimbursed, and
- An SF-425, and

- A narrative report.

The narrative report will summarize the expenses covered by the CARES Act funds and state that all expenses were in accordance with the FAA's Policy and Procedures Concerning the Use of Airport Revenues and incurred after January 20, 2020.

As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR part 200. Subpart F requires non-Federal entities that expend \$750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to assure your organization will comply with applicable audit requirements and standards.

Once you have drawn down all funds and uploaded the required documents to Delphi, notify Marcelino Sanchez by email that the grant is administratively and financially closed. Marcelino Sanchez is readily available to assist you and your designated representative with the requirements stated herein. We sincerely value your cooperation in these efforts.

Sincerely,

Laura E. Gomez (May 11, 2020)
