

CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY

***Five (5) vacancies with terms to 6-30-2022, representing the City.**

Duties

The Corpus Christi Regional Transportation Authority operates and provides for a public transportation system for Nueces County and the cities included in the Authority.

Composition

Board of Directors consist of eleven (11) members - five (5) appointed by the City Council; three (3) appointed by Nueces County Commissioners Court; two (2) appointed by the Mayors of Cities in the Transit Authority other than Corpus Christi (Agua Dulce, Bishop, Driscoll, Gregory, Port Aransas, Robstown and City of San Patricio); and the Chairman who is appointed by the Board. The principal municipality shall make its appointments to the board so that at least one of the appointees is designated to represent the interests of the transportation disadvantaged (elderly, persons with disabilities or low-income individual.) The statute does not mandate that this Board member be transportation disadvantaged. If the Chairman is from the membership, the entity that appointed that person will appoint a replacement. Terms shall be for two years; members may serve up to eight consecutive years as stated by State Law. The State Sunset Committee suggests that the appointing bodies should consider the appointment of a regular rider of the transit system. A member of the board must be a qualified voter residing in the authority.

Regional Transportation Authority and Airport Board

Why are you interested in serving on a City board, commission or committee?

My name is Dr. Jacob Dryden and I am interested in serving on the Regional Transportation Authority or Airport Board. From Eagle Scout to school administrator at Veterans Memorial High School, I understand the need for and importance of public service. I currently serve on and support several committees in education, at my church, and in the community at large. Community volunteerism is important to me. My family is relatively new to Corpus Christi. After relocating from Minnesota, we have been genuinely welcomed by the Corpus Christi community. In short, I want to use my school leadership skill set and experiences to help our new city grow and prosper.
