1 Grant Agreement Requirements and Conditions

1.1 *Applicability of Grant Agreement and Provisions*

The Grant Agreement is subject to the additional terms, conditions, and requirements of other laws, rules, regulations and plans recited herein and is intended to be the full and complete expression of and constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and all prior and contemporaneous understandings, agreements, promises, representations, terms and conditions, both oral and written, are superseded and replaced by this Grant Agreement.

Notwithstanding any expiration or termination of this Grant Agreement, the rights and obligations pertaining to the grant close-out, cooperation and provision of additional information, return of grant funds, audit rights, records retention, public information, and any other provision implying survivability shall remain in effect after the expiration or termination of this Grant Agreement.

1.2 *Legal Authority to Apply*

The grantee certifies that it possesses legal authority to apply for the grant. A resolution, motion or similar action has been or will be duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative, or their designee of the organization to act in connection with the application and to provide such additional information as may be required.

1.3 *Grant Acceptance*

The Notice of Subrecipient Grant Award remains an offer until the fully executed copy of this Grant Agreement is received by the Texas Division of Emergency Management (TDEM).

1.4 *Project Period*

Funding has been authorized for eligible expenditures incurred between March 1, 2020 and December 30, 2020. The specific performance period for this grant is listed on the Notice of Subrecipient Grant Award. All expenditures must be incurred, and all services must be received within the performance period. TDEM will not be obligated to reimburse expenses incurred after the performance period. A cost is incurred when the responsible unit of government has expended funds to cover the cost.

1.5 *General Responsibility*

Per the CARES Act, CRF grant funds may only be used to cover expenses that –

1. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19)
2. were not accounted for in the budget most recently approved as of March 27, 2020 for the state or government; and
3. were incurred during the period that begins on March 1, 2020 and ends on December 30, 2020.

The US Department of Treasury (Treasury) provided additional guidance on the permissible use of grant funds, including nonexclusive examples of eligible expenses in the following categories:

1. Medical expenses,
2. Public health expenses,

3. Payroll expenses for public safety, public health, health care, human services, and similar employees whose services are substantially dedicated to mitigating or responding to the COVID-19 public health emergency,
4. Expenses of actions to facilitate compliance with COVID-19-related public health measures,
5. Expenses associated with the provision of economic support in connection with the COVID-19 public health emergency, and
6. Any other COVID-19-related expenses reasonably necessary to the function of government that satisfy the Fund's eligibility criteria.

Further explanation of these categories and examples can be found at the following link:

<https://home.treasury.gov/system/files/136/Coronavirus-Relief-Fund-Guidance-for-State-Territorial-Local-and-Tribal-Governments.pdf>

<https://home.treasury.gov/system/files/136/Coronavirus-Relief-Fund-Frequently-Asked-Questions.pdf>

The subrecipient agrees that a minimum of 75% of its allotment will be spent in the categories of medical expenses, public health expenses and payroll expenses for employees substantially dedicated to mitigating or responding to the public emergency. The remainder of the allotment may be spent in any of the categories provided within the Treasury guidance.

The grantee certifies compliance with these eligible expenses by executing the CARES Act Coronavirus Relief Fund Eligibility Certification Form in Exhibit E, which is attached hereto and incorporated for all purposes.

The grantee is responsible for the integrity of the fiscal and programmatic management of the grant project; accountability for all funds awarded; and compliance with TDEM administrative rules, policies and procedures, and applicable federal and state laws and regulations.

The grantee will maintain an appropriate grant administration system to ensure that all terms, conditions and specifications of the grant are met.

1.6 Amendments and Changes to the Grant Agreement

TDEM and the grantee may agree to make adjustments to the grant. Adjustments include, but are not limited to, modifying the scope of the grant project, adding funds to previously un-awarded cost items or categories changing funds in any awarded cost items or category, deobligating awarded funds or changing grant officials.

The grantee has no right or entitlement to reimbursement with grant funds. TDEM and grantee agree that any act, action or representation by either Party, their agents or employees that purports to waive or alter the terms of the Grant Agreement or increase the maximum liability of TDEM is void unless a written amendment to this Grant Agreement is first executed and documented in GMS. The grantee agrees that nothing in this Grant Agreement will be interpreted to create an obligation or liability of TDEM in excess of the "Maximum Liability of the TDEM" as set forth in the Notice of Subrecipient Grant Award.

Any alterations, additions, or deletions to the terms of this Grant Agreement must be documented in GMS to be binding upon the Parties. Notwithstanding this requirement, it is understood and agreed by Parties hereto, that changes in local, state and federal rules, regulations or laws applicable hereto, may occur during the term of this Grant Agreement and that any such changes shall be automatically incorporated into this Grant Agreement without written amendment hereto, and shall become a part hereof as of the effective date of the rule, regulation or law.

1.7 Jurisdictional Cooperation

A municipality may yield any portion of its allocated funds to the county within which it exists or a county may yield any portion of its allocated funds to a municipality within its footprint for eligible expenses. This may be accomplished in one of the following ways:

1. By a grant amendment, as described in section 1.6, where by funds are deobligated from the original subrecipient and then added to previously un-awarded costs items or categories of the receiving jurisdiction's grant award.
2. A subrecipient may use funds pursuant to this agreement to subcontract with another political subdivision within its jurisdiction for eligible and necessary expenditures incurred due to the public health emergency. The subrecipient is responsible for ensuring subcontractor eligibility and maintaining all required documentation.

1.8 Public Information and Meetings

Notwithstanding any provisions of this Grant Agreement to the contrary, the grantee acknowledges that the State of Texas, TDEM, and this Grant Agreement are subject to the Texas Public Information Act, Texas Government Code Chapter 552 (the "PIA"). The grantee acknowledges that TDEM will comply with the PIA, as interpreted by judicial opinions and opinions of the Attorney General of the State of Texas.

The grantee acknowledges that information created or exchanged in connection with this Grant Agreement, including all reimbursement documentation submitted to TDEM, is subject to the PIA, whether created or produced by the grantee or any third party, and the grantee agrees that information not otherwise excepted from disclosure under the PIA, will be available in a format that is accessible by the public at no additional charge to TDEM or State of Texas. The grantee will cooperate with TDEM in the production of documents or information responsive to a request for information.

1.9 Remedies for Non-Compliance

If TDEM determines that the grantee materially fails to comply with any term of this grant agreement, whether stated in a federal or state statute or regulation, an assurance, in a state plan or application, a notice of award, or any other applicable requirement, TDEM, in its sole discretion may take actions including:

1. Temporarily withholding cash payments pending correction of the deficiency or more severe enforcement action by TDEM;
2. Disallowing or denying use of funds for all or part of the cost of the activity or action not in compliance;
3. Disallowing claims for reimbursement;
4. Wholly or partially suspending or terminating this grant;
5. Requiring return or offset of previous reimbursements;
6. Prohibiting the grantee from applying for or receiving additional funds for other grant programs administered by TDEM until repayment to TDEM is made and any other compliance or audit finding is satisfactorily resolved;
7. Reducing the grant award maximum liability of TDEM;
8. Terminating this Grant Agreement;
9. Imposing a corrective action plan;

10. Withholding further awards; or

11. Taking other remedies or appropriate actions.

The grantee costs resulting from obligations incurred during a suspension or after termination of this grant are not allowable unless TDEM expressly authorizes them in the notice of suspension or termination or subsequently.

TDEM, at its sole discretion, may impose sanctions without first requiring a corrective action plan.

1.10 False Statements by Grantee

By acceptance of this grant agreement, the grantee makes all the statements, representations, warranties, guarantees, certifications and affirmations included in this grant agreement. If applicable, the grantee will comply with the requirements of 31 USC § 3729, which set forth that no grantee of federal payments shall submit a false claim for payment.

If any of the statements, representations, certifications, affirmations, warranties, or guarantees are false or if the grantee signs or executes the grant agreement with a false statement or it is subsequently determined that the grantee has violated any of the statements, representations, warranties, guarantees, certifications or affirmations included in this grant agreement, then TDEM may consider this act a possible default under this grant agreement and may terminate or void this grant agreement for cause and pursue other remedies available to TDEM under this grant agreement and applicable law. False statements or claims made in connection with TDEM grants may result in fines, imprisonment, and debarment from participating in federal grants or contract, and/or other remedy available by law, potentially including the provisions of 38 USC §§ 3801-3812, which details the administrative remedies for false claims and statements made.

1.11 Conflict of Interest Safeguards

The grantee will establish safeguards to prohibit its employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain, whether for themselves or others, particularly those with whom they have family, business, or other ties. The grantee will operate with complete independence and objectivity without actual, potential, or apparent conflict of interest with respect to its performance under this Grant Agreement. The grantee certifies as to its own organization, that to the best of their knowledge and belief, no member of The A&M System or The A&M System Board of Regents, nor any employee, or person, whose salary is payable in whole or in part by a member of The A&M System, has direct or indirect financial interest in the award of this Grant Agreement, or in the services to which this Grant Agreement relates, or in any of the profits, real or potential, thereof.

1.12 Fraud, Waste, and Abuse

The grantee understands that TDEM does not tolerate any type of fraud, waste, or misuse of funds received from TDEM. TDEM's policy is to promote consistent, legal, and ethical organizational behavior, by assigning responsibilities and providing guidelines to enforce controls. Any violations of law, TDEM policies, or standards of ethical conduct will be investigated, and appropriate actions will be taken. The grantee understands and agrees that misuse of award funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal and state grants, recoupment of monies provided under an award, and civil and/or criminal penalties.

In the event grantee becomes aware of any allegation or a finding of fraud, waste, or misuse of funds received from TDEM that is made against the grantee, the grantee is required to immediately notify TDEM of said allegation or finding and to continue to inform TDEM of the status of any such on-going investigations. The grantee must also promptly refer to TDEM any credible evidence that a principal,

employee, agent, grantee, contractor, subcontractor, or other person has -- (1) submitted a claim for award funds that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving award funds. In the event grantee fails to perform or comply with an obligation or a term, condition or provision of this Grant Agreement, TDEM may, upon written notice to grantee, terminate this agreement for cause, without further notice or opportunity to cure. Such notification of Termination for Cause will state the effective date of such termination, and if no effective date is specified, the effective date will be the date of the notification.

TDEM and grantee may mutually agree to terminate this Grant Agreement. TDEM in its sole discretion will determine if, as part of the agreed termination, grantee is required to return any or all of the disbursed grant funds.

Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law, or under this Grant Agreement, including those remedies listed at 2 C.F.R. 200.207 and 2 C.F.R. 200.338 – 200.342. Following termination by TDEM, grantee shall continue to be obligated to TDEM for the return of grant funds in accordance with applicable provisions of this Grant Agreement. In the event of termination under this Section, TDEM's obligation to reimburse grantee is limited to allowable costs incurred and paid by the grantee prior to the effective date of termination, and any allowable costs determined by TDEM in its sole discretion to be reasonable and necessary to cost-effectively wind up the grant. Termination of this Grant Agreement for any reason or expiration of this Grant Agreement shall not release the Parties from any liability or obligation set forth in this Grant Agreement that is expressly stated to survive any such termination or expiration.

- C. The grantee shall permanently identify all such equipment by appropriate tags or labels affixed to the equipment. Exceptions to this requirement are limited to items where placing of the marking is not possible due to the nature of the equipment.

2.2 Consulting Contracts

Pre-approval of costs related to consulting contracts is required and the value of consulting contracts entered into by the grantee may not exceed 5% of the total funds received by the local unit of government.

2.3 Procurement Practices and Policies

The grantee must follow applicable federal and state law, federal procurement standards specified in regulations governing federal awards to non-federal entities, their established policy, and best practices for procuring goods or services with grant funds. Procurement activities must follow the most restrictive of federal, state and local procurement regulations. Contracts must be routinely monitored for delivery of services or goods.

2.4 Contract Provisions Under Federal Awards

All contracts made by a grantee under a federal award must contain the provisions outlined in 2 CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Appendix II to Part 200 Contract Provisions for Non-Federal Entity Contracts Under Federal Awards.

3 Audit and Records Requirements

3.1 Cooperation with Monitoring, Audits, and Records Requirements

All records and expenditures are subject to, and grantee agrees to comply with, monitoring and/or audits conducted by the United States Department of Treasury's Inspector General (DOTIG), TDEM, and the State

Auditor's Office (SAO) or designee. The grantee shall maintain under GAAP or GASB, adequate records that enable DOTIG, TDEM, and SAO to ensure proper accounting for all costs and performances related to this Grant Agreement.

3.2 Single Audit Requirements

Any grantee expending \$750,000 or more in federal funds in a fiscal year may be subject to Single Audit Requirements in 2 CFR, Part 200, Subpart F – Audit Requirements, at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

The grantees expending more than \$750,000 in state funds in a fiscal year are subject to the requirements in the Texas Single Audit Circular, at <https://comptroller.texas.gov/purchasing/docs/ugms.pdf>. The audit must be completed and the data collection and reporting package described in 2 CFR 200.512 must be submitted to the Federal Audit Clearinghouse (FAC) within 30 calendar days after receipt of the auditor's report(s), or nine months after the end of the audit period, whichever is earlier.

3.3 Requirement to Address Audit Findings

If any audit, monitoring, investigations, review of awards, or other compliance review reveals any discrepancies, inadequacies, or deficiencies which are necessary to correct in order to maintain compliance with this Grant Agreement, applicable laws, regulations, or the grantee's obligations hereunder, the grantee agrees to propose and submit to TDEM a corrective action plan to correct such discrepancies or inadequacies within thirty (30) calendar days after the grantee's receipt of the findings. The grantee's corrective action plan is subject to the approval of TDEM.

The grantee understands and agrees that the grantee must make every effort to address and resolve all outstanding issues, findings, or actions identified by DOTIG, TDEM, or SAO through the corrective action plan or any other corrective plan. Failure to promptly and adequately address these findings may result in grant funds being withheld, other related requirements being imposed, or other sanctions and penalties. The grantee agrees to complete any corrective action approved by TDEM within the time period specified by TDEM and to the satisfaction of TDEM, at the sole cost of the grantee. The grantee shall provide to TDEM periodic status reports regarding the grantee's resolution of any audit, corrective action plan, or other compliance activity for which the grantee is responsible.

3.4 Records Retention

- A. The grantee shall maintain appropriate audit trails to provide accountability for all expenditures of grant funds, reporting measures, and funds received from TDEM under this Grant Agreement. Audit trails maintained by the grantee will, at a minimum, identify the supporting documentation prepared by the grantee to permit an audit of its accounting systems and payment verification with respect to the expenditure of any funds awarded under this Grant Agreement.
- B. The grantee must maintain fiscal records and supporting documentation for all expenditures resulting from this Grant Agreement pursuant to 2 CFR 200.333 and state law.
 - 1. The grantee must retain these records and any supporting documentation for a minimum of seven (7) years from the later of the completion of this project's public objective, submission of the final expenditure report, any litigation, dispute, or audit.
 - 2. Records related to real property and equipment acquired with grant funds shall be retained for seven (7) years after final disposition.
 - 3. TDEM may direct a grantee to retain documents for longer periods of time or to transfer certain records to TDEM or federal custody when it is determined that the records possess long term

retention value.

4 Prohibited and Regulated Activities and Expenditures

4.1 Prohibited Costs

- B. Damages covered by insurance.
- C. Payroll or benefits expenses for employees whose work duties are not substantially dedicated to mitigating or responding to the COVID-19 public health emergency.

- F. Workforce bonuses other than hazard pay or overtime.
- G. Severance pay.

4.2 Political Activities

Grant funds may not be used in connection with the following acts by agencies or individuals employed by grant funds:

- A. Unless specifically authorized to do so by federal law, grant recipients or their grantees or contractors are prohibited from using grant funds directly or indirectly for political purposes, including lobbying or advocating for legislative programs or changes; campaigning for, endorsing, contributing to, or otherwise supporting political candidates or parties; and voter registration or get-out-the-vote campaigns. Generally, organizations or entities which receive federal funds by way of grants, contracts, or cooperative agreements do not lose their rights as organizations to use their own, private, non-federal resources for “political” activities because of or as a consequence of receiving such federal funds. These recipient organizations must thus use private or other non-federal money, receipts, contributions, or dues for their political activities, and may not charge off to or be reimbursed from federal contracts or grants for the costs of such activities.
- B. Grant officials or grant funded employees may not use official authority or influence or permit the use of a program administered by the grantee agency of which the person is an officer or employee to interfere with or affect the result of an election or nomination of a candidate or to achieve any other political purpose.
- C. Grant-funded employees may not coerce, attempt to coerce, command, restrict, attempt to restrict, or prevent the payment, loan, or contribution of anything of value to a person or political organization for a political purpose.
- D. Grant funds may not be used to employ, as a regular full-time or part-time or contract employee, a person who is required by Chapter 305 of the Government Code to register as a lobbyist. Furthermore, grant funds may not be used to pay, on behalf of the agency or an officer or employee of the agency, membership dues to an organization that pays part or all of the salary of

a person who is required by Chapter 305 of the Government Code to register as a lobbyist.

- E. As applicable, the grantee and each contracting tier will comply with 31 USC § 1352, which provides that none of the funds provided under an award may be expended by the grantee to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any Federal action concerning the award or renewal. Grantee shall file the required certification attached hereto and incorporated for all purposes as Exhibit F. Each contracting tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

5 Financial Requirements

5.1 Direct Deposit

A completed direct deposit form from the grantee must be provided to TDEM prior to receiving any payments. The direct deposit form is currently available at <https://grants.tdem.texas.gov/>.

5.2 Payments and Required Documentation

Funding for this Grant Agreement is appropriated under the Coronavirus Aid, Relief, and Economic Security Act, 2020 (Public Law 116-136) enacted on March 27, 2020, as amended, to facilitate protective measures for and recovery from the public health emergency in areas affected by COVID-19, which are Presidentially-declared major disaster areas under Title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.). All expenditures under this Grant Agreement must be made in accordance with this Grant Agreement and any other applicable laws, rules or regulations. Further, grantee acknowledges that all funds are subject to recapture and repayment for non-compliance pursuant to Section 5.7 below.

Payment of funds on projects may be initiated by the grantee through a Request for Reimbursement (RFR) in GMS.

Grantee may initiate an Advance of Funds Request (AFR) through GMS for an initial cash advance to cover actual costs incurred or up to 20% of their total allocation, whichever is larger.

Additional advances or reimbursement requests may be requested following full reporting to TDEM of expenses incurred and applied against the initial and/or any subsequent advance payments.

If sufficient progress is not made towards expenditure of advanced funds and/or the grantee fails to meet financial reporting obligations, TDEM may implement sanctions as necessary up to and including grant termination.

All documentation for expenditures paid during the project period must be submitted to TDEM on or before the grant liquidation date.

5.3 Financial Reporting

Financial reports must be submitted to TDEM on a quarterly basis via GMS but can be submitted more often as necessary to draw down funds.

The final financial report must be submitted to TDEM on or before the grant liquidation date or the grant funds may lapse and TDEM will provide them as grants to other eligible jurisdictions.

5.4 Reimbursements

TDEM will be obligated to reimburse the grantee for the expenditure of actual and allowable allocable costs incurred and paid by the grantee pursuant to this Grant Agreement. TDEM is not obligated to pay unauthorized costs or to reimburse expenses that were incurred by the grantee prior to the commencement or after the termination of this Grant Agreement.

5.5 Refunds and Deductions

If TDEM determines that the grantee has been overpaid any grant funds under this Grant Agreement, including payments made inadvertently or payments made but later determined to not be actual and allowable allocable costs, the grantee shall return to TDEM the amount identified by TDEM as an overpayment. The grantee shall refund any overpayment to TDEM within thirty (30) calendar days of the receipt of the notice of the overpayment from TDEM unless an alternate payment plan is specified by TDEM. Refunds may be remitted to: Texas Division of Emergency Management, P.O. Box 15467, Austin, Texas 78761.

5.6 Recapture of Funds

The discretionary right of TDEM to terminate for convenience under Section 1.13 notwithstanding, TDEM shall have the right to terminate the Grant Agreement and to recapture, and be reimbursed for any payments made by TDEM: (i) that are not allowed under applicable laws, rules, and regulations; or (ii) that are otherwise inconsistent with this Grant Agreement, including any unapproved expenditures.

5.7 Liquidation Period

Grant funds will liquidate 90 calendar days following the project period end date or on December 30, 2020, whichever is earlier. Funds not obligated by the end of the grant period and not expended by the liquidation date will revert to TDEM.

5.8 Project Close Out

TDEM will close-out the grant award when it determines that all applicable administrative actions and all required work of the grant have been completed by the grantee.

The grantee must submit all financial, performance, and other reports as required by the terms and conditions of the grant award.

The grantee must promptly refund any balances of unobligated cash that TDEM paid in advance or paid and that are not authorized to be retained by the grantee for use in other projects.
