Subject: Rancho Vista Subdivision Unit 19 (Final plat) – time extension request

Mr. Orozco:

The final plat of Rancho Vista Subdivision Unit 19 is due to expire on August 21, 2020. At this time, we, Urban Engineering, on behalf of Related Investors, Ltd., would like to request a time extension of six (6) months for the above referenced project. The developer has just completed Unit 17 and is ready to begin construction on this Unit, but may not break ground before the expiration date. We have included a check in the amount of \$38.00 for this request. Please feel free to call if you have any questions or comments.

Thank you
