Subject: Park Springs IHS, Block 1, Lots 1 through 3 (final plat) – Time Extension Request

Mr. Orozco:

The final plat of Park Springs IHS, Block 1, Lots 1 through 3, is coming up for expiration on March 5, 2020. We, Urban Engineering, on behalf of IHS Consultants, LP, respectfully request a time extension of six (6) months for the above referenced project. We are in the process of submitting a deferment agreement for the public improvement requirement of installing sidewalks. We are also in discussions with City staff regarding connection to City Sewer instead of a septic system. We have included a \$38.00 (No. 029412) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
