Subject: The Villas PUD (Plat)

Mr. Collins:

The final plat of The Villas PUD is coming up for expiration. We, Urban Engineering, on behalf of SuperElite, LLC, would like to request a time extension of six (6) months for the above referenced project. Construction plans for this project were approved on April 23rd and the project is currently out for bids. Additionally, we have submitted to the City, an easement closure request that is tied to the subject plat and it is currently in the review process. We have included a check in the amount of \$38.00 (No. 028984) for this request. Please feel free to call if you have any questions or comments.
