Subject: Padre Harbor Unit 1 (final plat) – Time Extension Request

Mr. Collins:

The final plat of Padre Harbor Unit 1 is coming up for expiration on April 17th. At this time, we, Urban Engineering, on behalf of Lake Padre Development, would like to request a time extension of six (6) months for the above referenced project. Since the approval of the final plat for Unit 1, final plats for Units 2 and 3 have recently been approved. The owners are anxious to begin construction of the required public improvements for all three projects at the same time, and additional time is needed in order to complete the design. We have included a \$38.00 (No. 029133) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
