

CITY OF CORPUS CHRISTI
CARES ACT RELATED TO COVID-19

CDBG PROGRAM		
CDBG COVID-19 Allocation No. 2		\$2,275,155
#	PROJECT & DESCRIPTION	STAFF RECOMMENDED
1	CDBG COVID-19 Program Administration (Multi-Departmental) Funding will be used for staff reimbursement for time used in administering and processing reimbursement requests for COVID-funded projects. This will also include the compliance monitoring and technical assistance aspects of administering the grant as well as offsetting the funding received with the entitlement grant. Funding will also be used to consult and receive research and plans on the data and effects COVID-19 has had in the community as well as funding organizations. Lastly, funding will be used to support the staffing costs of funding agencies to support operations and increased staff who work directly with the COVID-19 funding received.	\$100,000
2	Safe Harbor Drop-in Shelter Construction Construction expenses ineligible for ESG may include but are not limited to grading, solid surface, shade and rain protection, bathrooms including showers, security office, space for mobile health clinic and community space for service outreach. Addresses need to reduce high risk increase in street homelessness due to COVID-19 impacting shelter capacity due to social distancing requirements.	\$1,903,155
3	Coastal Bend Food Bank - Inventory system/equipment In order to assist more citizens during COVID-19, the Coastal Bend Food Bank is requesting funding to update their 20 year old inventory system and equipment to the current age of barcode scanning for inventory. The barcode capabilities allows for easier management of the food bank's warehouse by effectively tracking inventory and streamlining the receiving of the product. This system will allow for for accurate and reliable inventory records and help speed up assistance to those in the community who have been directly impacted by COVID-19 in relation to food and	\$72,000
4	Rising Tide Ministries Funding requested would assist in creating a program which would assist COVID-19 affected homeless individuals or those at risk of homelessness to job search, assist with resume building, job coaching, and furnish clothing for a job interview. These funds would also allow for the purchase of computer equipment for this training in order to increase the quality of life.	\$200,000
Total City Projects		\$2,275,155
Overall Total		\$2,275,155
