**Section 24. City Use.** The City retains the right to use or cross the Leased Premises with utility lines and easements. City may exercise these rights without compensation to Lessee for damages to the Leased Premises from installing, maintaining, repairing, or removing the utility lines and easements. - (1) Give notice to Lessee that this Lease terminates upon the date specified in the notice, which date will be no earlier than five days after the giving of the notice.

In the event of default by Lessee under Section 25, the City has the option to pursue any one or more of the remedies provided in this Lease or afforded the City by law, without further notice or demand and without prejudice to any other remedy:

- (1) The City may enter into and upon the Leased Premises and retake possession, by legal proceedings or otherwise, expel Lessee and anyone claiming through or under Lessee, remove Lessee's or a claimant's goods and effects, forcibly, if necessary, and store the goods in the name and at the expense of Lessee.

The term of such reletting by the City is evidence of the fair rental value of the Leased Premises for the balance of the term and the Lessee

shall be liable to the City for the amount by which the rent and other charges due under this Lease for the balance of its term exceeds the fair rental value of the Leased Premises for that period.
