Cisco Umbrella Internet Content Filtering Application

CAPTION:

Motion authorizing a three-year service agreement with Great South Texas Corp, dba Computer Solutions of San Antonio, Texas, in an amount not to exceed \$251,262.00 for Cisco Umbrella which provides internet content filtering effective upon issuance of notice to proceed, with funding in an estimated amount of \$83,800.00 available in the FY 2021 Information Technology Fund.

SUMMARY:

This motion authorizes an agreement with Great South Texas Corp, dba Computer Solutions to provide Cisco Umbrella for internet content filtering for City of Corpus Christi's staff.

BACKGROUND AND FINDINGS:

Cisco Umbrella is replacing the current internet content filter which is a savings of approximately \$40,000 annually.

With approval of this motion, the City of Corpus Christi's IT Department will obtain a three-year agreement to ensure internet content filtering remains active.

This procurement is through DIR. The contracts awarded through this cooperative have been competitively procured in compliance with Texas Local and State procurement

requirements. Computer Solutions is providing the City with a cost savings benefit of \$5,000 for Cisco Learning Credits within the next three years.

ALTERNATIVES:

This agreement for Cisco Umbrella is necessary for the City to continue internet content filtering.

FISCAL IMPACT:

The fiscal impact for FY 2021 is \$83,800.00, which was budgeted through the budget process.

The remaining cost will be budgeted through the annual budget process.
