<p><b>Purchase of Roadway Illumination and Traffic Signal Maintenance Services</b></p>
--

**CAPTION:**

Motion authorizing a two-year service agreement in an amount not to exceed \$556,827.00 with Austin Traffic Signal Construction Co. Inc. of Round Rock Texas, to provide roadway illumination and traffic signal maintenance services for the Public Works Department, effective upon issuance of a notice to proceed, with FY 2021 funding in an amount of \$162,400.00 available from the Streets and General Funds.

**SUMMARY:**

This motion approves a service agreement with Austin Traffic Signal Construction Co. Inc. to provide roadway illumination and traffic signal maintenance services for the Public Works Department.

**BACKGROUND AND FINDINGS:**

The Public Works Department is responsible for maintenance of 252 signalized intersections within the City. This Department is also responsible for maintenance of roadway lighting along roadway segments that are not maintained by a franchise utility company, such as AEP and NEC, or required under continuous lighting agreements between the City and TXDOT. This agreement will provide traffic signal maintenance, such as installation, repair, emergency knockdown repair, non-emergency routine installations and roadway illumination maintenance for State Highways, and navigational bridge lighting to ensure proper maintenance and operation of illumination and traffic signals maintained by the City of Corpus Christi.

The City previously used Siemens Mobility, Inc. to perform these maintenance services. This contract ended so the Contracts and Procurement Department conducted a competitive RFB process to obtain bids for a new contract. The City received one responsive, responsible bid. Staff is recommending the award to the Austin Traffic Signal Construction Co. Inc. This company has previous experience working in the Corpus Christi Area as a sub-contractor on various City street improvement projects. They have crews and personnel dedicated to the South Texas Area.

### **ALTERNATIVES:**

The alternative is to select Austin Traffic Signal Construction Co. Inc. to provide roadway illumination and traffic signal equipment and maintenance. This would impact the ability for the City to address outages on roadway illumination maintained by the City and maintenance at signalized intersections.

### **FISCAL IMPACT:**

The fiscal impact in FY 2021 for the Public Works Department is approximately \$162,400.00. The remaining cost of \$394,427.00 will be budgeted through the annual budget process.

### **FUNDING DETAIL:**

Fund:	1041	Streets Fund
Organization/Activity:	12310	Traffic Signals
Mission Element:	053	Signals, Signs, & Markings
Project # (CIP Only):	N/A	
Account:	530215	Maintenance & Repairs-contracted
Cost:	\$64,960.00	

Fund:	1020	General Fund
Organization/Activity:	12460	Street Lighting
Mission Element:	053	Signals, Signs, & Markings
Project # (CIP Only):	N/A	
Account:	530235	Infrastructure Maintenance
Cost:	\$97,440.00	

### **RECOMMENDATION:**

Staff recommends approval of the contract for roadway illumination and traffic signal maintenance services for Public Works as presented.
