Subject: The Villas PUD (Plat)

Mr. Orozco: *Glenn*

The final plat of The Villas PUD is coming up for expiration on September 19, 2020. We, Urban Engineering, on behalf of SuperElite, LLC, would like to request a time extension of six (6) months for the above referenced project. The previous time extension was approved on April 1st, at the beginning of the current COVID-19 situation. COVID-19 has since restricted the developer from moving forward in a timely manner due to various closures and unforeseen delays. We have included a check in the amount of \$38.00 (No. 029530) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
