Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I am currently serving on this board!

Education, Professional and/or Community Activity (Present)

I have a Bachelor's in Communication Studies and Spanish. I also have a Master's in Education Administration. I worked at Annapolis Christian Academy for Three years as a Latin and Spanish teacher. I have been involved in multiple non-profit organizations including the Pregnancy Center of the Coastal Bend, Agape Ranch, and Habitat for Humanity.

If you applied for multiple boards, which boards are you most interested in serving on, in order of preference? (Limit to top three)

Corpus Christi Commission on Children and Youth

Why are you interested in serving on a City board, commission or committee?

I have lived in Corpus for three years now and am excited about the possibility of becoming more involved in improving the city and serving my fellow citizens. I have loved my time here in Corpus and would love the opportunity to give back and facilitate more ways in which the city could grow and flourish to the benefit of all its citizens. I have always had a passion for youth and would love to see children in Corpus Christi presented with more opportunities to learn and experience more of the world both through schools and through the arts. In my teaching experience I have seen so many students' hearts changed because someone decided to invest in them and believe in them, and I want all students to have access to teachers who can invest in them in this way. I also have a heart for the less fortunate and the oppressed, and it is the deepest desire of my heart that any systems that would discriminate against or intentionally put someone in a disadvantaged position would be removed and replaced with fair and equitable systems. While I think improvements have been made, I want to continue to fight against prejudice and help race relations in Corpus Christi.
