c. Any waiver or indulgence of Del Mar's default may not be considered an estoppel against the Corporation.

d. It is expressly understood that if at any time Del Mar is in default in any of its conditions or covenants of this Agreement, the failure on the part of the Corporation to promptly avail itself of the rights and remedies that the Corporation may have, will not be considered a waiver on the part of the Corporation, but Corporation may at any time avail itself of the rights or remedies or elect to terminate this Agreement on account of the default.

budget accordingly. However, it is further understood and agreed that, should the actual total sales tax revenue collected for any one year be less than the total amount of grants to be paid to all contracting parties with Corporation for that year, then in that event, all contracting parties shall receive only their pro rata share of the available sales tax revenue for that year, less Corporation's customary and usual costs and expenses, as compared to each contracting parties' grant amount for that year, and Corporation shall not be liable to for any deficiency at that time or at any time in the future. In this event, Corporation will provide all supporting documentation, as requested. Payments to be made shall also require a written request from Del Mar to be accompanied by all necessary supporting documentation.
