BANKING INVESTMENTS INSURANCE

Frost Bank Capital Markets Division
Addendum to Safekeeping Fees

Frost Bank agrees to provide the current market price for securities held in the safekeeping account of **CORPUS CHRISTI BUSINESS AND JOB DEVELOPMENT CORPORATION**, account number _____. The market price will be obtained on the last business day of each month from a third party vendor. The market value will be provided as available from the vendor.

The monthly fee for this service will be based on the number of cusips held by the customer on the last day of that month. The current fee will be:

$6.00 for up to 10 cusips
$12.00 for 11 to 24 cusips
$15.00 for 25 to 30 cusips
$27.00 for 31 to 50 cusips
$40.00 for 51 to 70 cusips
$52.00 for 71 to 100 cusips

The fee for providing current market prices will be subject to review by Frost Bank on an annual basis, beginning January 1, 2022.
