N. PUBLIC HEARINGS: (ITEMS 27 - 29)

- 27. Public Hearing and First Reading Ordinance - Rezoning for a Property located at or near 2110 Laguna Shores Road.**

Case No. 0319-02 B&A Terra Firma Development, LLC: Request for rezoning a property at or near 2110 Laguna Shores Road from the "RE" Residential Estate District to the "RM-2" Multifamily 2 District.

Planning Commission and Staff Recommendation (April 17, 2019):
Denial of the change of zoning from the "RE" Residential Estate District to the "RM-2" Multifamily 2 District.

Applicant's Request (3/4 Vote Required)

Ordinance rezoning property at or near 2110 Laguna Shores Road from the "RE" Residential Estate District to the "RM-2" Multifamily 2 District.

Mayor McComb referred to Item 27. Director of Development Services Nina Nixon-Mendez stated that the purpose of this Item is to rezone the property to allow for construction of an apartment complex. Director Nixon-Mendez presented the following information: aerial overview; current zoning of the subject property; zoning pattern; publication notification; that the Planning Commission and staff recommend denial of the change of zoning from the "RE" Residential Estate District to the "RM-2" Multifamily 2 District; that the Applicant is requesting a floor amendment to amend the rezoning application to the "RS-6" Single-Family 6 District; and that staff recommends denial of the "RM-2" Multifamily 2 District, and in lieu thereof, approval of the "RS-6" Single-Family 6 District.

Mayor McComb opened the public hearing. Miguel Saldana, 4553 Moonlake Ridge, representing the Applicant, discussed the following topics: that the original rezoning request to "RM-2" Multifamily 2 District was for the purpose of developing an apartment complex; the developer's requirements to address runoff and flooding concerns; use of the area to educate Flour Bluff Independent School District (Flour Bluff ISD) students; endangered species concerns; pond encroachment; traffic concerns; and the Applicant's willingness to accept rezoning of the property to the "RS-6" Single-Family 6 District. Linda Barganski, 3838 Emu Drive, representing Flour Bluff ISD, discussed the following: Flour Bluff ISD uses the area as its outdoor classroom numerous times each day, including the pond; traffic concerns; and potential contamination of the pond due to runoff from construction debris.

A council member discussed the following: if Flour Bluff ISD has offered to purchase the subject property; the location and ownership of the pond; the number of students a multifamily complex would add to Flour Bluff ISD.

Council members, staff and Mr. Saldana discussed the following topics: the density of "RS-6" Single-Family 6 District zoning; zoning designations considered low density; the Applicant's plan if "RS-6" Single-Family 6 District zoning is approved; use of City wastewater system versus septic systems; use of City wastewater lift station; how long the Applicant has owned the subject property; when the property was rezoned to its current zoning designation; a past failed attempt to change the zoning of the property; the number of dwellings per acre in various zoning designations; the nomenclature the City uses for its various zoning districts; privacy concerns relating to individuals living above the first floor in apartments overlooking adjacent homes; lot sizes in various zoning designations; allowability of septic systems in various zoning designations; and septic system standards.

Rebecca Root, 325 Lola Johnson Rd., discussed: her previous experience with flooding in Houston, Texas and on her property on Lola Johnson Rd.; previous attempts to rezone the subject property; the type/size of properties on Lola Johnson Road; the effect on the neighborhood of building 90-100 homes on the subject property; the makeup of property owners on Lola Johnson Road; ownership of properties adjacent to the subject property; and the character of the current neighborhood. Darson Aelvoet, 281 Lola Johnson Rd., read excerpts from the 1993 Flour Bluff Area Development Plan and discussed: public safety concerns regarding increased foot traffic on Laguna Shores Road; and use of the nearby wastewater lift station. Jerry Hartung, 2101 Laguna Shores Rd., discussed: the Flour Bluff Area Development Plan; adjacency of the property and the pond used by Flour Bluff ISD; potential effects on the Red Head Pond Wilderness Area; Laguna Shores Road improvements; and traffic concerns. Maggie Hartung, 2101 Laguna Shores Rd., discussed: completion of a traffic study prior to rezoning; the potential impact on Red Head Pond; the impact of a single entrance to and exit from the subject property onto Laguna Shores Road; parking along and traffic on Laguna Shores Road; endangered grasses; and asked Council to consider leaving the property zoned "RE" Residential Estate District. Juan Perales, Jr., 4918 Holly Rd., representing J. Perales Engineering, stated that he has been providing engineering and technical support to the Applicant; the process by which the Applicant's request for a change of zoning has moved from "RM-2" Multifamily 2 District to the "RS-6" Single-Family 6 District; use of the City's nearby wastewater lift station

versus septic systems; traffic counts for the "RM-2" Multifamily 2 District versus the "RS-6" Single-Family 6 District; requirements to comply with flood zone and freeboard requirements; and impact on the environment and endangered species. Mayor McComb closed the public hearing.

Council members and staff discussed the following topics: history of the subject property; the Flour Bluff Area Development Plan; that the Planning Commission did not consider the "RS-15" zoning designation; acreage requirements to be able to install a septic system; previous rezoning requests relating to the subject property; "RS-6" zoning being a compromise; the effects of not rezoning and developing the property; potential issues from installation of septic systems; use of city services on the subject property; that some nearby neighborhoods are also currently zoned "RS-6"; a continuation of movement toward larger lots in the Flour Bluff area with high value homes; the number of surrounding property owners in opposition to the multifamily zoning designation; and that the City does not have traffic counts for Laguna Shores Road.

Council Member Smith made a motion to deny the change of zoning from the "RE" Residential Estate District to the "RM-2" Multifamily 2 District.

A council member and staff discussed the following topics: how long the nearby wastewater lift station has been in place and its original cost of construction; if it is currently in use; that the pumps have been removed from the wastewater lift station; availability of pumps; if Flour Bluff ISD is interested in purchasing the subject property; zoning designations compatible with the Flour Bluff Area Development Plan; the density and minimum lot size of various zoning designations; and the consequences of not taking action on the item.

Council Member Barrera seconded the motion. This motion failed and was not approved with the following vote:

Aye: 3 - Council Member Smith, Council Member Barrera, Council Member Guajardo

Nay: 6 - Mayor McComb; Council Member Roy; Council Member Garza; Council Member Hernandez; Council Member Hunter; Council Member Molina
