G. AGENDA ITEMS:

- 2.** Discussion and possible action regarding a small business recovery initiative for businesses within the City of Corpus Christi

President Harris referred to item 2. Chief Operating Officer of the Corpus Christi Regional Economic Development Corporation Mike Culbertson said the purpose of the item was to utilize Type A funds to help small businesses during the COVID-19 pandemic. Mr. Culbertson said the City of Corpus Christi is contracting with the Lift Fund, via a Dream Maker Fund grant, to establish a \$2 million loan program for small businesses impacted by COVID-19. The loans would be at zero interest and once re-paid the funds are deposited into the Dream Maker Fund, which will be used only for business in Corpus Christi. Type A Economic Development Fund will transfer \$2 million to the City of Corpus Christi's Street Maintenance fund for arterial and collector street work already scheduled. Type A transfer will replace City's General Fund transfer to the Street Maintenance Fund, freeing up \$2 million for the Small Business Recovery Program. Mr. Culbertson said the eligibility for the loan are: annual gross revenues of not more than \$5 million and revenue loss of at least 15% in the period beginning March 1, 2020 to the time of the application; the loans will range in value up to \$25,000; 0% interest; 120-day deferral of first payment; and can be funded within 10 days once documents are received.

Mr. Valls made the following motion, seconded by Mr. Wilson:

Motion authorizing an agreement with the City of Corpus Christi in the amount of \$2,000,000.00 for Street Preventative Maintenance Program repairs to the Patti Drive from Saratoga to Dunbarton Oaks and Ocean Drive / Shoreline Blvd from IH-37 to Louisiana for promotion and development of new and expanded business enterprises and the creation of a small business incentive program by the City for creation of jobs and business development; appropriating funds in the amount of \$2,000,000.00 from the Business and Job Development Fund; and amending the budget.

Board Members, City Manager Peter Zanoni and Mr. Culbertson discussed the following items: having the flexibility to use the fund to assist the business that were impacted by the COVID-19; whether the funds could be less than \$2 million; and if the funds could be used for education.

Ms. Olivarri made a motion to amend the motion to clarify that the repairs would be limited to the areas of Ocean Drive and Shoreline Boulevard that have not been recently reconstructed, seconded by Mr. Wilson, and passed unanimously. The motion was approved as amended.
