Authorizing forensics building to be constructed at an alternate location due to excessive cost at planned location (Bond 2012)

Resolution determining that to construct a portion of the Police Vehicle Impound Yard and Garage Phase 2 - a Bond 2012 Project (Project) at its originally proposed location would be unwise and unnecessary; authorizing the City Manager or designee to proceed with construction of the forensics building portion of the Project at an alternate, more suitable, and less costly location.
