Professional Services agreements for Geotechnical and Construction Materials Testing (Council Priority - Streets)

Motion authorizing the City Manager, or designee, to execute three (3) separate two-year Master Services Agreements (MSAs) with not-to-exceed amounts of \$800,000 each with Professional Service Industries, Rock Engineering & Testing Laboratory, and Tolunay-Wong Engineers for geotechnical engineering and construction materials testing. The aggregate not-to-exceed value of these three contracts is \$2,400,000.
